Dear Joe and Anne:

Thank you for your support of the San Marino Centennial Clock project. The San Marino Rotary Charities gratefully acknowledges your tax deductible donation of \$250, for which you received no goods or services.

The Centennial Clock is a project of the Rotary Club of San Marino from funds provided by Rotary Charities. The clock and plaza will be an artistic and useful addition to the Civic Center area. The clock will mark the Centennial of the founding of Rotary International.

We hope you and your family are able to attend the San Marino Centennial Clock dedication, scheduled to be on July 4, 2005. We will send you dedication details in the future. In the meantime, we thank you again for your generous support.

Sincerely,

Dennis Kneier
Fundraising Co-chair
