Dear John:

As we dedicate the Centennial Clock, the Rotary Club of San Marino gives its heartfelt thanks to you and the entire San Marino City Club for your generous support. Please extend our sincere thanks and appreciation to the City Club's board and to all of its members.

Your gift at the Platinum level was a significant contribution to the success of this project. In appreciation, the name of the San Marino City Club is shown prominently among the Platinum donors on the recognition plaque.

We hope you and members of the City Club will enjoy the Centennial Clock and look upon it as a welcome addition to the civic center of San Marino. Again, we thank you for your support.

Sincerely,
